(a) Technical Capacity; and

(b) Financial Capacity

3.2 Technical Capacity for purposes of evaluation

3.2.1 Subject to the provisions of Clause 2.2, the following categories of experience would qualify as Technical Capacity and eligible experience (the "Eligible Experience") in relation to eligible projects as stipulated in Clauses 3.2.3 and 3.2.4 (the "Eligible Projects"):

Category 1: Project experience on Eligible Projects in aerial passenger ropeway sector that qualify under Clause 3.2.3

Category 2: Project experience on Eligible Projects in core sector that qualify under Clause 3.2.3

Category 3: Construction experience on Eligible Projects in aerial passenger ropeway sector that qualify under Clause 3.2.4

Category 4: Construction experience on Eligible Projects in core sector that qualify under Clause 3.2.4

For the purpose of this RFQ cum RFP:

(i) aerial passenger ropeway sector would be deemed to include at least one aerial passenger ropeway system including but not limited to closed/semi-closed cabin and

(ii) core sector would be deemed to include power, telecom, ports, airports, roads, highways, expressways, bridges, tunnels, airports, railways, metro rail, industrial parks/estates, logistic parks, pipelines, irrigation, water supply, sewerage, hotels and real estate development.

3.2.2 Eligible Experience in respect of each category shall be measured only for Eligible Projects.

3.2.3 For a project to qualify as an Eligible Project under Categories 1 and 2:

(a) It should have been undertaken as a PPP project on BOT, BOLT, BOO, BOOT or other similar basis for providing its output or services to a public sector entity or for providing non-discriminatory access to users in pursuance of its charter, concession or contract, as the case may be. For the avoidance of doubt, a project which constitutes a natural monopoly such as an airport or port should normally be included in this category even if it is not based on a long-term agreement with a public entity;

(b) the entity claiming experience should have held, in the company owning the Eligible Project, a minimum of 26% equity during the entire year for which Eligible Experience is being claimed;

(c) the capital cost of the project is estimated to be more than Rs. 1 crore (Rs. One crore) and

(d) the entity claiming experience shall, during the past 5 (five) financial years preceding the Bid Due Date, have (i) paid for development of the project (excluding the cost of
land), and/or (ii) collected and appropriated the revenues from users availing of non-discriminatory access to or use of fixed project assets, such as revenues from highways, airports, ports and railway infrastructure, but shall not include revenues from sale or provision of goods or services such as electricity, gas, petroleum products, telecommunications or fare/freight revenues and other incomes of the company owning the Project.

3.2.4 For a project to qualify as an Eligible Project under Categories 3 and 4, the Bidder should have paid for execution of its construction works or received payments from its client(s) for construction works executed, fully or partially, during the 5 (five) financial years immediately preceding the Bid Due Date, and only the payments (gross) actually made or received, as the case may be during such 5 (five) financial years shall qualify for purposes of computing the Experience Score. However, payments/receipts of less than Rs. 1 crore (Rs. One crore) shall not be reckoned as payments/receipts for Eligible Projects. For the avoidance of doubt, construction works shall not include supply of goods or equipment except when such goods or equipment form part of a turn-key construction contract/ EPC contract for the project. Further, the cost of land shall not be included hereunder.

3.2.5 The Bidder shall quote experience in respect of a particular Eligible Project under any one category only, even though the Bidder (either individually or along with a member of the Consortium) may have played multiple roles in the cited project. Double counting for a particular Eligible Project shall not be permitted in any form.

3.2.6 Bidder’s experience shall be measured and stated in terms of a score (the "Experience Score"). The Experience Score for an Eligible Project in a given category would be eligible payments and/or receipts specified in Clause 2.2.2 (A), divided by one crore and then multiplied by the applicable factor in Table 3.2.6 below. In case the Bidder has experience across different categories, the score for each category would be computed as above and then aggregated to arrive at its Experience Score.

3.2.7 Experience for any activity relating to an Eligible Project shall not be claimed by two or more members of the Consortium. In other words, no double counting by a Consortium in respect of the same experience shall be permitted in any manner whatsoever.

3.3 Details of Experience

3.3.1 The Bidder should furnish the details of Eligible Experience for the past 5 (five) years immediately preceding the Bid Due date.

3.3.2 The Bidders must provide the necessary information relating to Technical Capacity as per format at Annex-II of Appendix-I.

3.3.3 The Bidder should furnish the required project-specific information and evidence in support its claim of Technical Capacity, as per format at Annex-IV of Appendix-I.

3.4 Financial information for purposes of evaluation
3.4.1 The Bid must be accompanied by the Audited Annual Reports of the Bidder (of each member in case of a Consortium) for the preceding financial year from the Bid Due Date.

3.4.2 In case the annual accounts for the latest financial year are not audited and therefore the Bidder could not make it available, the Bidder shall give an undertaking to the same effect and the statutory auditor shall certify the same. In such a case, the Bidder shall provide the Audited Annual Reports for the year preceding the year for which the Audited Annual Report is not being provided.

3.4.3 The Bidder must establish a minimum Net Worth specified in Clause 2.2.2 (B), and provide details as per format at Annex-III of Appendix-I.

3.5 Short-listing of Bidders

3.5.1 The credentials of eligible Bidders shall be measured in terms of their Experience Score. The sum total of the Experience Scores for all Eligible Projects shall be the „Aggregate Experience Score“ of a particular Bidder. In case of a Consortium, the Aggregate Experience Score of each of its Members, who have an equity share of at least 26% in such Consortium, shall be summed up for arriving at the combined Aggregate Experience Score of the Consortium.

3.5.2 The Bidders shall then be ranked on the basis of their respective Aggregate Experience Scores and short-listed for submission of Bids. The Authority expects to short-list upto 5 (five) pre-qualified Bidders for participation in the Bid Stage. The Authority, however, reserves the right to extend the number of short-listed pre-qualified Bidders.

3.6 Bid Stage

3.6.1 In the Bid Stage, Price Bids would be opened only for those Bidders who have been shortlisted in the Qualification Stage as per clause 3.5.2.

3.6.2 The Price Bids will be evaluated for the Project on the basis of the highest revenue share (to be quoted in percentage as well as words by Bidders in their Price Bids) over and above 5% (five percent) of the Realizable Fee (the “Revenue Share”) to be paid by a Bidder as per clause 1.2.7.

3.6.3 Price Bid is required to be furnished in the format at Appendix-V, clearly indicating both percentage figures and words and signed by the Bidder’s authorized signatory. In the event of any difference between percentage figures and words, the percentage indicated in words shall be taken into account.

3.6.4 The Bidder adjudged as responsive in terms of Clause 2.19 and quoting the highest Revenue Share offered to the Authority, shall be declared as the selected Bidder (the “Selected Bidder”).

3.6.5 In the event that two or more Bidders quote the same amount of Revenue Share (the “Tie Bidders”), the Authority shall identify the Selected Bidder by draw of lots, which shall be conducted, with prior notice, in the presence of the Tie Bidders who choose to attend.

3.6.6 In the event that the highest Bidder withdraws or is not selected for any reason in the first instance (the “first round of bidding”), the Authority may in its sole discretion annul the Bidding process or invite all the remaining Bidders to revalidate or extend their respective Bid Security, as necessary, and match the Bid of the aforesaid highest Bidder (the “second round of bidding”). If in the second round of bidding, only one Bidder matches the highest Bidder, it shall be the Selected Bidder. If two or more Bidders match the said highest Bidder in the second round of bidding, then the Bidder whose Bid was higher as compared to other Bidder(s) in the first round of bidding shall be the Selected Bidder. For example, if the third
and fifth highest Bidders in the first round of bidding offer to match the said highest Bidder in the second round of bidding, the said third highest bidder shall be the Selected Bidder.

3.6.7 In the event that no Bidder offers to match the highest Bidder in the second round of bidding as specified in Clause 3.6.6, the Authority may, in its discretion, invite fresh Bids (the “third round of bidding”) from all Bidders except highest Bidder of the first round of bidding, or annul the Bidding Process, as the case may be. In case the Bidders are invited in the third round of bidding to revalidate or extend their Bid Security, as necessary, and offer fresh Bids, they shall be eligible for submission of fresh Bids provided, however, that in such third round of bidding only such bids shall be eligible for consideration which are higher than the Bid of the second highest Bidder in the first round of bidding.

3.6.8 After selection, a Letter of Award (the “LOA”), substantially in the format provided in Appendix VII shall be issued, in duplicate, by the Authority to the Selected Bidder and the Selected Bidder shall, within 7 (seven) days of the receipt of the LOA, sign and return the duplicate copy of the LOA in acknowledgement thereof. In the event the duplicate copy of the LOA duly signed by the Selected Bidder is not received by the stipulated date, the Authority may, unless it consents to extension of time for submission thereof, appropriate the Bid Security of such Bidder as mutually agreed genuine pre-estimated loss and damage suffered by the Authority on account of failure of the Selected Bidder to acknowledge the LOA, and the next eligible Bidder may be considered.

3.6.9 After acknowledgement of the LOA as aforesaid by the Selected Bidder, it shall make payment towards Project Development Expenses and Success Fee as indicated in Clause 2.2.12, incorporate the Concessionaire and execute the Concession Agreement within the period prescribed in Clause 1.3. The Selected Bidder shall not be entitled to seek any deviation in the Concession Agreement.

3.7 Contacts during Bid Evaluation

Bids shall be deemed to be under consideration immediately after they are opened and until such time the Authority makes official intimation of award/rejection to the Bidders. While the Bids are under consideration, Bidders and/or their representatives or other interested parties are advised to refrain from contacting by any means, the Authority and/or their employees/representatives on matters related to the Bids under consideration.
4. FRAUD AND CORRUPT PRACTICES

4.1 The Bidders and their respective officers, employees, agents and advisers shall observe the highest standard of ethics during the Bidding Process and subsequent to the issue of the LOA and during the subsistence of the Concession Agreement. Notwithstanding anything to the contrary contained herein, or in the LOA or the Concession Agreement, the Authority shall reject a Bid, withdraw the LOA, or terminate the Concession Agreement, as the case may be, without being liable in any manner whatsoever to the Bidder or Concessionaire, as the case may be, if it determines that the Bidder or Concessionaire, as the case may be, has, directly or indirectly or through an agent, engaged in corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice in the Bidding Process. In such an event, the Authority shall forfeit and appropriate the Bid Security or Construction Period Performance Security, as the case may be, as mutually agreed genuine pre-estimated compensation and damages payable to the Authority towards, inter alia, time, cost and effort of the Authority, without prejudice to any other right or remedy that may be available to the Authority hereunder or otherwise.

4.2 Without prejudice to the rights of the Authority under Clause 4.1 hereinabove and the rights and remedies which the Authority may have under the LOA or the Concession Agreement, if a Bidder or Concessionaire, as the case may be, is found by the Authority to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice during the Bidding Process, or after the issue of the LOA or the execution of the Concession Agreement, such Bidder or Concessionaire shall not be eligible to participate in any tender or RFP issued by the Authority during a period of 2 (two) years from the date such Bidder or Concessionaire, as the case may be, is found by the Authority to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practices, as the case may be.

4.3 For the purposes of this Clause 4, the following terms shall have the meaning hereinafter respectively assigned to them:

(a) “corrupt practice” means (i) the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the actions of any person connected with the Bidding Process (for avoidance of doubt, offering of employment to or employing or engaging in any manner whatsoever, directly or indirectly, any official of the Authority who is or has been associated in any manner, directly or indirectly with the Bidding Process or the LOA or has dealt with matters concerning the Concession Agreement or arising therefrom, before or after the execution thereof, at any time prior to the expiry of one year from the date such official resigns or retires from or otherwise ceases to be in the service of the Authority, shall be deemed to constitute influencing the actions of a person connected with the Bidding Process); or (ii) engaging in any manner whatsoever, whether during the Bidding Process or after the issue of the LOA or after the execution of the Concession Agreement, as the case may be, any person in respect of any matter relating to the Project or the LOA or the Concession Agreement, who at any time has been or is a legal, financial or technical adviser of the Authority in relation to any matter concerning the Project;

(b) “fraudulent practice” means a misrepresentation or omission of facts or suppression of facts or disclosure of incomplete facts, in order to influence the Bidding Process;

(c) “coercive practice” means impairing or harming, or threatening to impair or harm, directly or indirectly, any person or property to influence any person’s participation or action in the Bidding Process;
(d) “undesirable practice” means (i) establishing contact with any person connected with or employed or engaged by the Authority with the objective of canvassing, lobbying or in any manner influencing or attempting to influence the Bidding Process; or (ii) having a Conflict of Interest; and

(e) “restrictive practice” means forming a cartel or arriving at any understanding or arrangement among Bidders with the objective of restricting or manipulating a full and fair competition in the Bidding Process.
