

**MED-1703/1/2021-HS-HEALTH  
GOVERNMENT OF MANIPUR  
SECRETARIAT: HEALTH DEPARTMENT**

**NOTIFICATION  
Imphal, the 6<sup>th</sup> May, 2021**

**Standard Operating Procedure (SOP) for regulation of supply of Oxygen Cylinders to the Home patients (Both COVID and Non-COVID)**

All supply of Oxygen cylinders to the home patients (both COVID and Non COVID) shall be done in the State of Manipur as per the laid down SOP.

1. All Non-COVID home patients who are already on oxygen support as per medical advice shall be supplied Oxygen cylinders by the concerned Dealers as practiced earlier for which a proper record should be maintained by the Dealers concerned indicating name of patient, supply date and quantity and shared with the Government in their daily reporting formats.
2. For COVID patients whose Oxygen saturation level demands external Oxygen Support and awaiting hospital admission shall be monitored by the Home isolation team of the District and on the certification by the CMO/DSO concerned, Dealers of Oxygen supply may issue Oxygen Cylinders for which a proper record should be maintained by the Dealers concerned and furnished to State Government.
3. In both the cases, the Dealers should include details of the demand and supply of Oxygen Cylinders by the home patients (Both COVID and Non-COVID) in their report submitted to Manipur State Oxygen Management team at 6: 00 AM and 6:00 PM for the preceding 12 hours ending at the time of reporting.
4. In any case, the Dealers shall not stop the rotation of Cylinders for refilling in plants both within and outside the state for supply to the Health Care facilities.
5. The District Home Isolation team shall follow the guidelines for judicious use of Oxygen as applicable and laid down from time to time in the assessment of requirement of Oxygen Support to COVID patients.
