

Presentation at State Level Conference on 5G Rollout Plans

10th November 2022

5G Rollout Plans

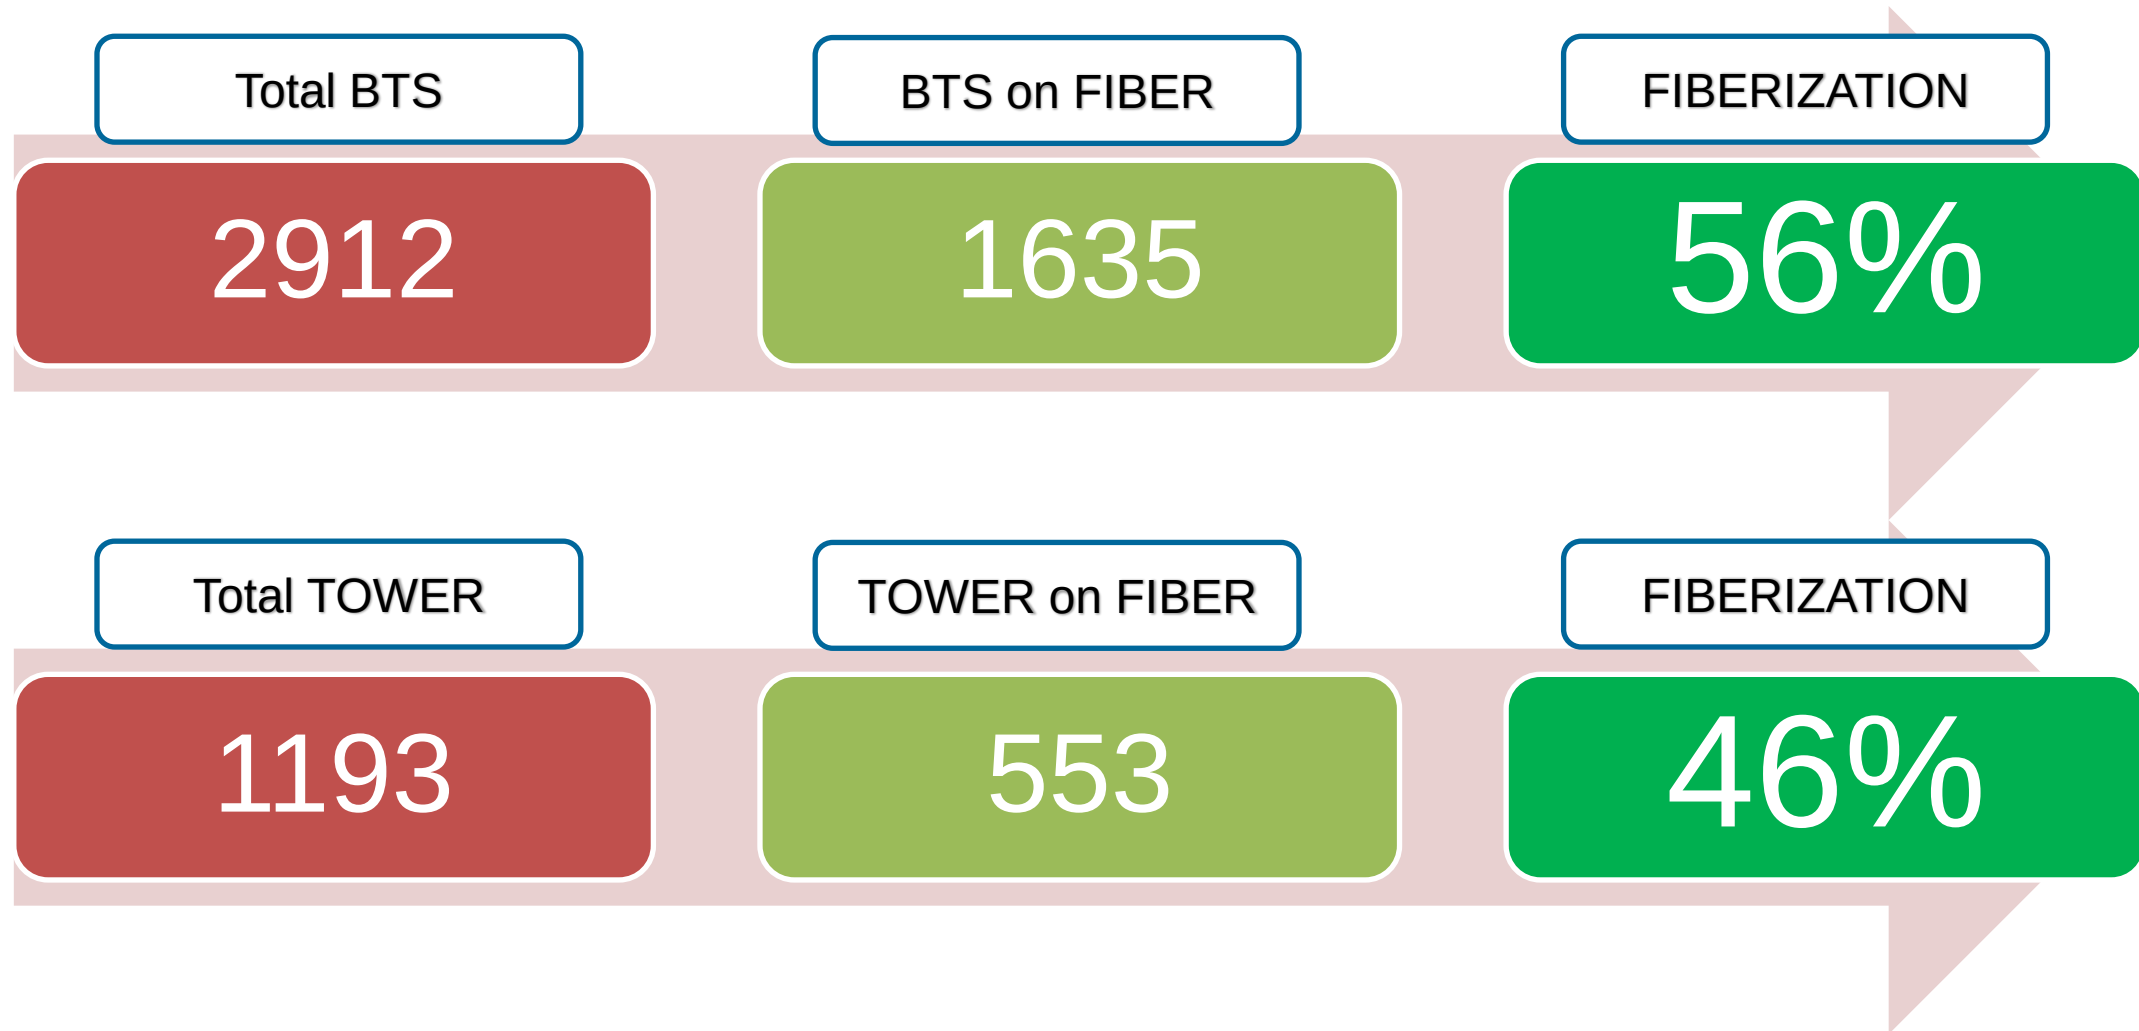

Fiberization Plan

Jio is committed to provide its 5G services to every citizen of our country

Jio has prepared an ambitious 5G roll-out plan to cover every town, every taluka, and every tehsil of our country

Our initial launch of 5G services in Delhi, Mumbai, Kolkata & Varanasi

Planning to increase the Jio 5G footprint month after month in phased manner to other cities

Jio has proudly achieved the target of National Broadband Mission

THANK YOU
