

GOVERNMENT OF MANIPUR

**SPEECH FOR DEMANDS FOR EXCESS
GRANTS FOR 2018-19**

OF

**HON'BLE CHIEF MINISTER
(in-charge Finance)**

31st July, 2024

Mr. Speaker Sir,

I rise to present the Demands for Excess Grants for the year 2018-19.

2. During the year 2018-19, there had been expenditure in excess of charged appropriation. The Committee on Public Accounts of this House had examined the accounts and recommended in its Fifty fifth Report for regularization of the excess expenditure in a manner prescribed under Article 205 of the Constitution of India. A brief account of the said expenditure is indicated below.

3. During the financial year 2018-19, an excess expenditure of Rs. 1729.49 crores occurred under one Appropriation. The excess expenditure was due to re-payment of ways and means advances. The details of the excess expenditure and reasons thereof is indicated in the “Demands for Excess Grants” being presented to this August House.

4. The excess amounts over the charged appropriation need regularization as recommended by the Committee on Public Accounts. The PAC has made valuable recommendations for the improvement of the budgeting system and for enforcing stricter financial discipline. I am grateful to my Hon’ble colleagues in the Committee, and I would like to inform the House that our Government has accorded due regard to the recommendations of the Committee.

With these few words, I present the Demands for Excess Grants for the year 2018-19.
