

**GOVERNMENT OF MANIPUR  
DEPARTMENT OF INFORMATION TECHNOLOGY**

---

**MEMORANDUM**

Imphal, the 13<sup>th</sup> June, 2026

**No. IT/21/2025-DITC-DIT:** The Manipur State Data Centre (MSDC) is responsible for ensuring the security, integrity, and availability of Government websites, portals, and applications hosted under its infrastructure.

2. It has been observed that the Security Audit Certificates of several hosted websites, portals, and applications have expired. Further, the recent cyber-attack on *agrimanipur.mn.gov.in* highlights the growing cyber security threats to Government digital infrastructure. The absence of valid Security Audit Certificates exposes these systems to vulnerabilities, unauthorized access, data breaches, and other cyber threats.

3. Therefore, all websites, portals, and applications whose Security Audit Certificates have expired shall be made inaccessible with immediate effect until a fresh Security Audit is conducted by a CERT-In empanelled agency and a valid certificate is submitted to MSDC.

4. The Departments/Organizations listed in **Annexure-I** shall immediately verify the validity of the Security Audit Certificates of their respective websites, portals, and applications and initiate a fresh Security Audit through a CERT-In empanelled agency wherever the certificate has expired. Failure to submit a valid Security Audit Certificate shall result in the concerned website, portal, or application being made inaccessible with immediate effect in the interest of safeguarding the State's digital infrastructure.

5. MSDC officials and technical personnel shall maintain enhanced vigilance and continue 24x7 monitoring of infrastructure and services. Any cyber security incident or suspicious activity shall be reported immediately to the Chief Information Security Officer (CISO), Manipur.

6. The State Data Centre team shall continuously monitor security logs, firewall events, intrusion detection/prevention systems, and other security controls to strengthen the cyber security posture of Government infrastructure.

7. This memorandum shall come into force with immediate effect until further orders.

**(G. Robert Sharma)**  
Chief Information Security Officer  
(CISO)
